## **SUGGESTED BEST PRACTICES FOR THE WELL-BEING OF DOG SPORT PARTICIPANTS**

*The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.*

*The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.*

### **GENERAL PRACTICES**

- Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
- Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
- Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch).
- Avoid shaking hands, hugging, or other physical contact.
- Avoid touching dogs that are not your responsibility.
- Avoid common use pens/pencils – bring your own.
- Meals - Participants should consider bringing their own lunch/drinks.
- Vendors should follow retail guidelines for the area.
- Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, please bring exact change.
- Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
- Parking/unloading staff should wear face coverings and sanitize their hands following the assistance of each individual.
- Prepare to be self-sufficient: bring sanitizer, bring a generator for electricity, bring personal use face coverings.
- Know the armband numbers for your entries before going to the ring. Bring rubber bands or armband clips to secure armband.
- Do not congregate at the ring or ring gate.
- While showing your dog, maintain social distances with other exhibitors.
- All classes should be called in catalog order to provide order and efficiency.
- Judges are to have the exhibitor display the oral exam and may personally examine the mouth ONLY if absolutely necessary. By the nature of the procedure, judges must conduct thumb exams.
- Judges should sanitize hands after examining each entry. Re-examining of dogs should be minimized.
- Judges are encouraged to personally pull ribbons for placements. Coupled with frequent hand sanitizing, this will help mitigate contact exposure.
- Participants are expected to follow state, local government, facility and event guidelines. Clubs should be prepared to enforce the guidelines that apply to their event. The conformation field reps will assist as always in an advisory capacity.

*For a complete list of suggestions from AKC and appropriate suggestions from CED, please check their website ([www.akc.org/sports/conformation/](http://www.akc.org/sports/conformation/)) for the most up-to-date information.*

## **JUNIOR SHOWMANSHIP COMPETITION**

---

**NOVICE CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

**OPEN CLASS:** For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

**MASTER CLASS:** This class will be for boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

**NOVICE AND OPEN CLASS DIVIDED:** Junior-9 years old and under 12 years old on the day of the show; **Intermediate**-12 years old and under 15 years old on the day of the show; **Senior**-15 years old and under 18 years old on the day of the show.

After the judge has awarded the Best Junior Handler, the second place winner from the class that the Junior was awarded Best Jr Handler is to return to the ring to compete for Reserve Best Jr Handler.

**NOTICE:** Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, (919) 233-9767. BE SURE ALL INFORMATION for Jr Showmanship Classes is entered on front & back of entry form.

**NOTE: SUBSTITUTION OF DOG IN JR SHOWMANSHIP AT THE SHOW(S):** There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companionship. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

## USE OF RAMPS – ALL BREEDS

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required. The entire entry in a breed is to be examined in the same manner (ground, table, or ramp).

At the discretion of the judge, the following breeds may be judged on a ramp through all levels of competition: Lagotto Romagnolo, Nova Scotia Duck Tolling Retrievers, American Water Spaniels, English Springer Spaniels, Field Spaniels, Welsh Springer Spaniels, Grand Basset Griffon Vendéen, Standard Schnauzers, American Staffordshire Terriers, Irish Terriers, Kerry Blue Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Finnish Spitz, Entlebucher Mountain Dogs, Finnish Lapphunds, Icelandic Sheepdogs, Norwegian Buhunds, Polish Lowland Sheepdogs, Spanish Water Dogs, and Norrbottenspets (Misc.).

At the discretion of the judge through all levels of competition, the following breeds may be judged on the ground, a ramp, or on a table: Boykin Spaniels and Whippets.

At the discretion of the judge through all levels of competition, the following breeds may be judged on a ramp, or on a table: Mudi.

The following breeds must be judged on a ramp through all levels of conformation competition: Clumber Spaniels, Sussex Spaniels, Basset Hounds, Cirneco dell'Etnas, Bulldogs, Chinese Shar-Pei, Chow Chows and Keeshonden.

This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4–6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. Ramps can be used in emergency situation to judge any breed.

In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund. For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds. (09/2020)
