WHAT IS FAST CAT

Fast CAT (Fast Coursing Ability Test) is a timed straight 100 yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced and dogs are run individually. Dogs are timed when they complete the 100 yard dash. The time is converted to miles per hour (MPH).

FORMULA: 204.545 / RUN TIME = MPH

MPH X HANDICAP = POINTS (Rounded to the nearest 0.01 MPH)

A dog's handicap is determined by the height of the dog at the withers, a handicap is applied and points are earned.

18" or greater = Handicap multiplier - 1.0

12" to 18" = Handicap multiplier - 1.5

12" and below = Handicap multiplier - 2.0

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1000 points

FCAT2 = 1500 points

FCAT#... For each additional 500 points

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection committee has the authority to disallow a dog's entry into a test. At roll call, all dogs will be measured by a wicket to verify handicaps. Bitches in season with either a visual inspection or a letter from a vet will receive entry refund. Lame and unfit dogs will be excused without entry refunded.

Please do not bring bitches in season to the test!

TOP 20 BY BREED BY YEAR

The AKC fast cat website will feature the top 20 fastest dogs by breed by year national standings. The standings will be updated as event results are processed at <https://www.apps.akc.org/apps/fastcat> ranking

HOURS

Check in will begin no later than 7:30 AM. Visual inspections will be done prior to run time. It is the responsibility of each entrant to make an effort to be ready when their dog is called to the line. The runs begin at 8 AM until all runs are completed. For the safety of our volunteers and participants, lightning is the only reason to cause the postponement and or cancellation of an event.
