- All dogs must be on leash at all times except when in the ring or in the designated warm-up area.
- Pinch collars, electric or dummy collars are prohibited. Training collars are allowed.
- The safety of the dogs and handlers is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport and that their dogs are familiar with and able to perform all obstacles safely.
- A warm-up area, consisting of a regulation agility jump, will be provided.
- If your bitch goes into season after the closing date, a refund of entry fees (less $8.00 per day for administrative fees) will be given. Such request of refund must be received by the trial secretary no later than the close of the Monday trial.
- If your dog is injured after the closing date, a refund of entry fees {less $8.00 per day for administrative fees and all respective AKC fees for the entry (for all classes entered) } will be given with written verification from a veterinarian. Such request of refund must be received no later than 7:00 p.m. Tuesday, December 29, 2026.
- No entry fee will be refunded if the trial cannot open or be completed by reason of fire, civil disturbances, an Act of God, public emergency or any other cause beyond the control of the Club.
- The owner or handler is solely responsible for having the dog ready at ringside when it is to be judged.
- It is expressly understood that exhibitors are responsible for the behavior of themselves, their dogs and their children. Any exhibitor whose dogs or children create an unnecessary disturbance, may, at the discretion of the trial committee, be asked to leave the site. In such a case, no refund of any fee paid will be made.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from the competition by action of the trial committee.
- Seating is available ringside; seating in crating room limited and will be monitored by trial committee. No oversized chairs, reclining chairs or tables will be allowed ringside. No dogs in the front row.

Dogs Eligible to Enter

This trial is open to all dogs over the age of 15 months that are registered with the AKC or that have AKC Limited Registration, are Purebred Alternative Listing/Indefinite Listing Privileges PAL/ILP registered or approved Foundation Stock Service (FSS) breeds, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance. These events are accepting entries for Mixed Breed dogs enrolled in the AKC Canine Partners Program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Height Divisions

Owners are responsible for entering the proper height division. REGULAR CLASSES - Handlers may opt to run in a *higher* height division, but not in a division lower than their proper jump height. PREFERRED CLASSES - handlers must run their dog in their eligible proper height.

Jump Height Regular Classes	Jump Height Preferred Classes	Height at Withers
8 inches	4 inches	11' and under
12 inches	8 inches	14' and under
16 inches	12 inches	18' and under
20 inches	16 inches	22' and under
24 inches	20 inches	Over 22' –

Dogs may NOT be entered in this height if they are 22 inches and under

24 inch Choice

Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24 Choice

Measuring & Height Card Information

When filling out the entry form, there is a section of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that a copy of your dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. *Regulations for Agility Trials, Chapter 2, Section 4.*

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. Packerland Kennel Club (PKC) WILL allow FEO at their trials. FEO will allow exhibitors to work with their dogs in a trial environment. Participation in FEO is non-qualifying. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used. Food/treats are not allowed in the ring.

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring. A judge must monitor the entire run. Judges can stop a run at any time.

Obstacles & Course Familiarization

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials. Contacts & table are rubberized and weaves are 24 inches on center. Obstacle familiarization for Novice dogs will not be offered at this trial. Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A walk through will be held prior to each class in conjunction with the judge's briefing.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program℠** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
